FIRST ANNUAL BWYC INVITATIONAL TROUT CHAMPIONSHIP

The First Annual GYA Invitational Trout Championship June 25, 2011 at Bay-Waveland Yacht Club was well received. We had representation from 4 different GYA Clubs which included 70 fishermen on 27 different boats. Bay Waveland Yacht Club was well represented. The tournament started with a Captains Meeting and Shrimp Boil on Friday Night. The start of the tournament was Saturday morning at 5:00 am. Official Weigh master "John Zimmerman" conducted the time delayed start from BWYC with Captain Chris Trapani leading the armada of fisherman to their selected fishing spots.

After a long beautiful day of fishing the fishermen started weighing fish at 4:00 and it wasn't until the final minutes of the competition when Team Will Boxx and Nick and Ben Benvenutti hit the scales with some very impressive fish. The tournament had one category (3 Fish Combined Weight) and one Calcutta (Largest Fish)

The 3 Fish Stringer Category Results:

1st Place - Team Will Boxx and Nick and Ben Benvenutti 14.5 pounds, BWYC

2nd Place – Team John Chapoton 11.6 pounds, BWYC

3rd Place – Team Leo Seal 11.5 pounds, BWYC

4rd Place – Team George Boddie 11.25 pounds

5th Place – Team Steve Brettel, Tommy Elkins, John Rosetti 11.1 pounds, BWYC
The Largest Trout Calcutta

1st Place – Team Leo Seal 4.7 pounds, BWYC

2nd Place – Team John Chapoton 4.5 pounds, BWYC

3rd Place – Team Commodore Randy Santa Cruz 4.35, BWYC

4th Place – Team Steve Brettel 4.15, BWYC

The results show that it was a very competitive tournament. There is one fish that was extremely impressive but do to Team Boxx and Benvenutti not registering for the Calcutta they were not able to weigh their very impressive 5.75 pound trout for the Calcutta competition. I don't think they will forget to register next year.
