

Ladies Line...

Topsy Moran, President

Happy New Year, ladies! Whew! We made it through the holidays, and hopefully, you're all relaxing and easing painlessly into this New Year.

2008 was a wonderful, memorable year, and we accomplished many good things with Malin at the helm, so let's continue in that tradition as we start with a clean slate and new leadership. We can only hope to have as much fun and accomplish as much for the club this year as we did the last two years under Malin's capable leadership.
