Hi Ladies!

Hope you've had a Merry Christmas and Happy New Year with lots of family fun during the holidays. We're gonna' have a great year with several new projects in the works so be there for our first membership meeting on Thursday, February 4, 6 p.m. Your Board will be having a couple of planning and organizing meetings in January so we can get the ball rolling full swing in February.

The Christmas Bazaar was a tremendous success -- vendors were very pleased with the turn out, decorations were great, Armand did his usual superb luncheon--putting everyone in the mood for the holiday season!! And, last but not least, enormous thanks for such a job well done to both Topy and Joyce who organized the whole event and the many others who helped to make it such a big success. Good job, Ladies!!

Thanks, also, to all who brought the wonderful food for the Christmas Bail the Bilge -- as usual, you outdid yourselves with the wonderful array of fantastic dishes, dips, salads, etc. Compliments abounded -- and rightfully deserved!!
