

Ladies Line ...

August 2011

Dot Kersanac-Burns, President

228-326-5527

Hi Ladies,

Can you actually believe that it's that time of the year already?? What has happened to the summer!! From the looks of the sailing camp, our young sailors certainly did enjoy that aspect of their summer and the Juniors have been in full force under the capable hands of their Flag Officers, Board, and Coordinator, Dina Rosetti. The pool has been in good condition and very well utilized with the sound of youngsters at play. All in all, our younger crowd has had a good summer, know they hate to see it go!! So, to all our BWYC students out there, hope you have a good school year—**STUDY HARD!!** And, for all of our school-teacher members: **HAVE A GOOD SCHOOL YEAR!!**

The winner of the Bucket of Cheer was Steve Beaudette of BWYC (it's always nice to keep the winners in the family). Congratulations to you, Steve!! It was a very successful raffle and thanks, again, to Nancy Finlason and all who sold tickets, and all the volunteers helping with the Deacon John dance. The crowd exhibited the enthusiasm of those having a good time, enjoying the music and dancing, and relaxing and the breeze!

Our summer shirts are on their way and thanks to Carol Bowman for her hard work in getting this organized. With the climate that we have, I'm sure these shirts can be worn into the fall with no problem at all. They have been ordered in white and teal blue.

We have received the reorder on our cookbooks, and very promptly, I must say. Thanks to Joyce for taking care of this. We now have plenty to sell--so if interested, please ask Marlene in the office. The price is \$16 and the recipes are some from generations ago, hand me downs, tried and tested, plus some more current ones—very tasty, indeed!

According to our By Laws, the Nominating Committee will be appointed in August and present their slate at the September membership meeting to be included in the October Jib Sheet. Elections will be held in November with nominations from the floor accepted at that time.

Ladies Auxiliary Membership Meeting:

Thursday, August 4—6 p.m.

Ladies Luncheon:

Thursday, August 25, 11:30 (call Bobbie Goodell 228-255-7532 by August 21)
