2011 MEMBERSHIP DRIVE

At the Bay-Waveland Yacht Club you can almost begin to believe that spring is in the air and busy days are ahead for the yacht club. The Board of Governors has approved an abbreviated Membership Drive to follow up last year's success. Over the next few weeks please make some calls to your friends and family that are interested in membership, to take full advantage of this rare follow up motivational opportunity. Please remind them of the many activities that make our club unique and great, our private boat launch, harbor facilities, new club house, superb dining, and social activities, just to name a few. The summer is soon approaching, and we feel this financial incentive will benefit all parties involved!

The Board is initiating a membership drive which will run from March 1, 2011 to May 31, 2011. **From March 1 until April 9 the primary sponsor and new member (Family, Single, Single with Companion, Non-resident Family, and Non-resident Single) will each receive \$200 food and beverage credit spread out over 4 months.** This is just like last years drive, but this time it will only be available for 30 days. If some potential new members are not able to commit that quickly, we have addressed and made available an option for them. From April 9 until May 31 the primary sponsor and new member will each be eligible for a drawing for a \$500 food and beverage credit to their account, spread out over ten months, as a nice prize to that lucky new member and primary new member sponsor. The credit will be applied to the member's account upon membership approval by the board and receipt of the first payment.

BWYC must have a party to keep with our rich traditions; therefore, on April 9, 2011 there will be a Bail The Bilge (monthly cocktail party) which current members are invited to bring potential new members to show off the club. (More about the party over the next few weeks) Anyone turning in an application from March 01 through the April 09th party will be eligible for the \$200 credit for the primary sponsor and the new member.

For former members who are asking to be reinstated, the Board has approved a plan to credit \$200 to those Family, Single, Single with Companion, Non-resident Family, and Non-resident Single members who rejoin the club between March 1, 2011 and April 9, 2011. The credit will be applied to the member's account upon approval of the reinstatement and receipt of the first payment from the reinstated member. The full application process is required.

Members who have joined the club since January 1, 2011 through March 1, 2011 will automatically receive a \$50 food and beverage credit.

ALL of the members of the Bay Waveland Yacht Club will benefit greatly with strong active membership, help us grow our CLUB!

Warmest regards,

Chris Trapani
